### Three Months Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next three months. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

#### From about: 1 January 2007 to about: 27 January 2007

 transiting your natal 6th House

##### **Schedules**

Your focus is now on work and being of help to others. Acknowledging that certain work and tasks need to be done, you will now take particular pride in whatever you do but do not expect to be leader of the pack as your actions will now probably be controlled by someone else. Alternatively, you may become more involved in charitable work. If this is the case, then remember not to neglect your own needs. Look after yourself as well. In fact, this is an excellent time to start a new diet or exercise program.

#### From about: 1 January 2007 to about: 20 January 2007

 transiting your natal 6th House

##### **Busy**

Your focus will now be on health and work. Being more meticulous and attentive than usual, this is an excellent time for work which requires mental skills. You will feel that if a job's worth doing, it will be worth doing very well indeed. However, take care not to worry excessively or nervous tension and stress could cause ill health. Beware becoming overly critical of others or bogged down in petty details. Often physical problems or illness are messages from your own unconscious mind, making you aware of things you may be doing wrong, or bringing to the fore repressed problems. Perhaps at the moment minor illnesses may be masking deeper emotional problems.

#### From about: 1 January 2007 to about: 10 January 2007

 transiting your natal 6th House

##### **Work**

Your focus will now be on work, health and helping others. Personal responsibilities or obligations towards others may increase, possibly causing resentment. Nevertheless, you will be more prepared to co-operate at work. A pay increase or bonus is likely. You will now feel that if a job is worth doing, it is worth doing well. But take care that in your aim for perfection, you are not overtaken by competitors who are prepared to accept less than the best. You may also decide to redecorate or make your work environment more pleasing to the eye. As health will also be of importance, you will want to look and feel better. Try that new diet or exercise class, this time you may stick with it!

**From about: 1 January 2007 to about: 27 January 2007**

♂ transiting your natal 5th House

**Risk taking**

Social activity should now increase. You will have plenty of energy, but very little self discipline. Bored with life's daily routines, you will now seize any chance to have a good time. With creative energy running high artists, writers, musicians and performers will work harder and feel more inspired than usual. Sexual passions will also be running high, but a strong independent streak in your approach to love relationships may also cause some conflict. As a parent, you may now feel that your family commitments or children are restricting your freedom. Therefore this, combined with excessive energy, could cause arguments. Keep both your children and yourself physically active, but away from danger.

**From about: 1 January 2007 to about: 31 March 2007**

♂ transiting your natal 5th House

**Self confidence**

Self-confidence and determination will enable you to take advantage of new opportunities, resulting in greater financial rewards. Possessing the courage of your convictions, others opinions will not matter. You will now be yourself, and will make no apology for your actions or beliefs. Relationships should also improve, especially with children and lovers. If new love enters your life, it is likely to be someone from a different background or from abroad. Either way, the relationship should be fulfilling and rewarding, especially if you do not pretend to be what you are not.

**From about: 1 January 2007 to about: 31 March 2007**

♂ transiting your natal 1st House

**Self control**

This is a time when you may find it difficult to be open and spontaneous, fearful of appearing foolish. Responsibilities will increase, but so may your accomplishments. But take care not to overload yourself with commitments, or your drained energies could cause you to become weary and withdrawn. Until recently priorities revolved around relationships with others and being concerned with how others saw you and related to you. You will now and for the next few years, need to be more introspective, turning your thoughts towards your emotional and mental needs.

**From about: 1 January 2007 to about: 31 March 2007**

♂ transiting your natal 8th House

**Changes**

Sudden changes of fortune are now likely, so expect disruption in joint finances, insurance, tax or inheritance. Do not become dependant on someone else's finances during this time, you will only come to resent it in time to come. Feeling the need to break free from restrictions and attachments imposed by others, you will now want to go your own way. Some phases of your life may end suddenly and irreversibly. Fascinated by the meaning of life and death, a new understanding of these matters will be sought. An exciting yet unstable love relationship may also start and end within a short space of time.

**From about: 1 January 2007 to about: 31 March 2007**

 transiting your natal 7th House

**Critical**

You may now approach relationships with excessive romantic idealism. Of course, you could be lucky and meet someone who is as idealistic as you are but such individuals are very rare. It is more likely that you will place your lover on too high a pedestal, and then be disappointed when they do not live up to your expectation. You may also be attracted to people who you feel need your help. In surrendering your own needs you may feel you are showing true love. But, you too are only human, and sooner or later your own needs will resurface, putting a great deal of strain on the relationship. Do not place unrealistic expectations on others, and do not allow them to walk all over you. This is not a good time for legal proceedings as poor communications and misunderstandings are likely.

**From about: 1 January 2007 to about: 31 March 2007**

 transiting your natal 5th House

**Self expression**

You should now avoid gambling or speculation as there is a possibility of losing control and destroying everything you have built up. On the other hand there is also the potential of accumulating riches or power, depending on how you handle the situation. Children may now also be the source of inspiration and transformation or there may be power struggles with your children. Love affairs and sexual relationships could be intense, obsessive and passionate - also undergoing drastic changes or disruption. However, any relationship that survives this period will grow from strength to strength.

**From about: 1 January 2007 to about: 1 January 2007**

Transiting   your natal 

**Below par**

Feeling disillusioned and unlucky in love, you may feel as if nothing is going your way. Because of this, emotional barriers will be erected to stop you from getting hurt, but this may only make matters worse. Conflict between your home and professional life may cause emotional confrontations.

**From about: 1 January 2007 to about: 1 January 2007**

Transiting   your natal 

**Excellent timing**

This should be a period of steady growth in all business, legal and financial matters, winning the trust and confidence of friends and colleagues. With energy levels, enthusiasm and self-confidence running high there is very little that will get you down or stand in your way. Split second decisions should be made accurately and with excellent timing.

**From about: 1 January 2007 to about: 2 January 2007**

Transiting   your natal 

**No holding back**

An incredible restless, dynamic energy will make you crave personal freedom and independence during this time. Restrictions in your life will simply not be tolerated and you will rebel against anyone trying to hold you back.

**From about: 1 January 2007 to about: 11 January 2007**

Transiting ♃ ☐ your natal ♂

**Arrogance**

During this period you really will not take no for an answer! However, avoid being narrow-minded - you can't be right all the time - and definitely don't allow your sense of self-importance to become over-inflated.

Being self-assertive is one thing, but at times, over-confidence can seem rather arrogant and opinionated to others. Unfortunately, lacking both tact and moderation, this is a time when you could really put your foot in it! Slow down a little, both in thought and action.

Beware extravagance in all financial, business and career matters. Avoid exaggeration and don't promise more than you can deliver. Don't become involved in shady business deals that are just slightly on the wrong side of the law. This would certainly not be the best time to fight any legal battles.

You could have problems with people in authority during this time - taking orders and instructions could prove somewhat difficult, as you will be under the impression that you know better. Your conduct could even become somewhat threatening.

Anything to do with foreigners, foreign places or travel could be somewhat precarious during this time - so avoid taking foolish risks. If on holiday, then don't, for example, go for a moonlight stroll through the seedy end of a foreign town. Stay in safe and well-lit areas.

**From about: 1 January 2007 to about: 21 January 2007**

Transiting ♃ △ your natal MC

**All round support**

Business and financial transactions will be highlighted during this time. A combination of your practical common sense and intuitive understanding of the needs of all parties will strengthen negotiations and contracts. Promotions and pay rises could also unexpectedly brighten this period.

Creativity will be heightened. You will now be able to structure your powerful imagination in a positive, constructive way. Ideas, thoughts and plans could now become concrete reality. You will have a better understanding of your life - and the paths that you've chosen to follow. Lessons and experiences from the past will now be put to good use.

In particular, this would be an excellent time to embark on a new field of study or perhaps a training scheme, which could enhance your career potential. In your experience to date, you've already laid firm and strong career foundations - it is now time to build those supporting walls.

**From about: 1 January 2007 to about: 30 January 2007**

Transiting ♃ △ your natal ♃

**Blast from the past**

As you drift aimlessly in a world of fantasy and daydreams, it may be extremely difficult to keep your feet on solid terra firma during this time! You will find that your mind may start to drift back into time: 'what were those childhood dreams I had?' All this is harmless enough so long as you don't totally evade daily responsibilities, and you never know, reliving those dreams may be just the incentive you need to try something different, to try and make those dreams come true before it is too late!

Kindness, soft-heartedness and sympathy will be other virtues during this time and you will be prepared to give anyone who needs it a helping hand.

Your thoughts may also turn to the more religious and mystical side of life. Some of you may start a journey, either on land or a mystical journey of learning. You may also find yourself either teaching or being taught.

Some pleasant news or a small, unexpected, windfall may also come your way as a sort of 'thank you' for an act of kindness done in the past; long forgotten by yourself, but not by the recipient. All good things come to those who truly deserve them.

**From about: 2 January 2007 to about: 2 January 2007**

Transiting ♀ △ your natal ♂

You will have more confidence in your own ideas, and the ability to state them clearly. You will also have more energy than you usually have, so enjoy this time by doing something positive with your life now.

Transiting ♃ △ your natal ♃

**Self sacrifice**

Spiritual and religious matters will be of greater importance than usual. You will now go out of your way to research and find meaningful answers to life's most perplexing questions. Your attitude, goals and ambitions could now dramatically change - with a strong leaning towards a more humanitarian and altruistic outlook.

You will be more prepared to listen to your intuition - taking heed of the important messages being sent by your inner voice. A greater interest could now also be developed in the esoteric sciences, religion and astrology.

Being fair minded in all your decisions, others will now come to you for advice, comfort and support. You may be called upon to act as a mediator and help resolve long standing conflicts.

Willing to help others less fortunate than yourself, you could also become involved in charity or voluntary work. It will not be enough to just give money - you will now want to give of yourself as well.

**From about: 3 January 2007 to about: 5 January 2007**Transiting   your natal **Half time**

Today you are half way through your birthday year so this critical point would be the perfect time to reflect on the year's achievements to date. Conflicts may arise if you feel the need to blame others rather than yourself for certain situations that have failed or not worked to your advantage. If you are honest, and value your friendships, then concede defeat and, if necessary, make apologies.

**From about: 3 January 2007 to about: 6 January 2007**Transiting   your natal **Enthusiasm**

Full of energy and raring to go, nothing will be able to stop you or get in your way during this time. You constantly strive to achieve your desires. Passionate emotions will be difficult to control so your love life should become more sensual and romantic. New love affairs will be intense, but short-lived.

**From about: 4 January 2007 to about: 5 January 2007**Transiting   your natal **Open-minded**

Although compromise may be almost impossible during these next few days, try to remain open-minded and tactful. Do not allow ego conflicts and misunderstandings to permanently damage long standing friendships or business relationships. If possible, postpone important negotiations and discussions until the mood becomes more tranquil.

**From about: 4 January 2007 to about: 13 January 2007**Transiting   your natal **Confident**

You will instinctively know how to communicate your thoughts and emotions during this time. Because of your air of confidence, honesty and sincerity, others will trust your words and plans. They will assume that you are in total control of your actions and you probably will be! This will be an excellent time to make long-term plans for the future.

It is also good news time! You are likely to hear or receive some kind of news around now which should lift your spirits. This could be in any area of your life - romance, career, business or health.

This is certainly a time to take advantage of any opportunities that come your way, especially if they involve travel. If travel isn't possible at the moment then you could still hear or receive news from someone overseas or abroad; someone you haven't heard from in quite some time.

Taking up some kind of new study or retraining could also work to your advantage. Be brave enough to take a bold step forward towards a new path or direction. Any decisions made now should work to your benefit even if you don't reap instant rewards.

This is a time of discipline, enterprise and initiative. You will now work extremely hard to get things done, and will take extreme pride in the work that you do. However, you will not be very tolerant of anyone lording it over you, preferring to be your own boss. This could therefore lead to conflicts with those in authority, especially if you are not getting the credit you think you deserve. Also beware impatience with less energetic employees or colleagues. Keep physically active otherwise repressing frustrated energies could build up inner tension which would eventually cause health problems or accidents.

If a love affair or relationship has recently ended, avoid the temptation to stray back - no matter how lonely or depressed you may be feeling. This is a time for testing all personal relationships, whether they are love affairs or family relationships.

Questions will be asked, and they will have to be answered honestly and openly. This is your chance to break free from an unhappy love affair - but only if you are honest with yourself. Can you really see yourself in the same situation in a few years' time or even in ten years' time? If the thought makes you shudder - then why not save the both of you much needless pain - and do what your heart and inner self are urging. At the end of the day, however, the decision has to be yours - you are the ruler of your own destiny.

Stable and happy relationships will also go through a testing time - a temporary phase of doubts and inhibitions - but they will emerge stronger and more emotionally tied than ever before.

You may decide to withdraw from loved ones - in both a physical and emotional sense, whilst you search the inner depths of your being for answers to important questions. Lovers and family may feel alienated - but they will understand if you let them know that just for now, you need some privacy and time to yourself.

Financial and business decisions should be temporarily postponed - until you feel in a more self assured frame of mind. Keep a watchful eye on all expenditure.

The temptation to break free of certain restrictions and responsibilities will be difficult to resist. Craving adventure, excitement, or simply just something new in your life - you could now make a dash for freedom. The only problem, however, is that you may throw the baby out with the bath water. By all means rid yourself of any unnecessary restrictions and burdens - but also make sure that you hold on to anything that is useful and productive.

However, in your haste to break free, this could prove to be a period of extravagance, self-indulgence and empty promises.
