Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

From about: 1 January 2007 to about: 10 January 2007

Transiting ♃ △ your natal ♀

Key Phrases: Pleasant Gatherings - Attracting Joy and Prosperity - Happy Trails

Theme: Chances to make more of your Venus Profile through appreciating your capacity for giving and receiving love better.

This is all about the more you give the more you get. Whatever you have been investing in life, emotionally or financially, can bring about dividends now. And whatever you give out now is sure to breed happiness in the future - if or because you feel the generosity of Life itself flowing through you. You'll get the best out of this influence by fully appreciating its qualities rather than merely indulging in them, which can be the temptation. Spent well or squandered.

Possible Encounters: Romance - Bringers of Goodwill - Value for Money/Windfalls

From about: 1 January 2007 to about: 17 January 2007

Transiting ♃ ✖ your natal AS

Significance: This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

Keyphrases: Playing it Straight - Stabilizing your Image

Theme: Opportunities to consolidate your Ascendant Profile, though being able to present yourself to the world in a conventionally appreciable way.

Whatever else is now going on in your life, to one degree or another you manage to give the impression that you are worthwhile and trustworthy. Consequently, others are happy to go along with you, either on a professional or a personal level. But bear in mind that this is a relatively superficial state of affairs, and that your true intentions will later show through for what they are, or they could suffer as a result of your being too bland and conservative. But, these points apart, this is a good time for expressing yourself in a disciplined and orderly fashion. As a reflection of this, those with whom you are involved are also reliable.

Possible Encounters: Sober Relationships - Helpful Elders - Sound Perspectives

From about: 1 January 2007 to about: 26 January 2007

Transiting ♃ ☐ your natal ♂

Significance: This is a strong to medium influence that challenges you to develop in proportion to your current strengths and weaknesses.

Keyphrases: Blocked or Controlled Energy - Testing Self-Assertion - Sex on Hold

Theme: A powerful point of reckoning with regard to your Mars Profile, where you have to assess and organize how you go about getting what you want.

With this difficult period, hard work is not only the best policy, but quite unavoidable. 'Don't pull your punches, but don't push the river', which means that you have to persist with whatever needs your individual energy and input, while at the same time acknowledging and accepting that circumstances are such that hold-ups are inevitable and that the current way of the world ultimately has the upper hand.

Also, you will have to confront others, yet always be prepared to meet them half way. You are now laying down, or else having laid down for you, a long-term plan, which could even be quite military-like. So hold back, and hold firm, and hold it all together.

Be patient. If necessary, work out your pent-up energies, such as anger, in harmless physical activity, but beware of knocks and strains. It may also be necessary to re-appraise the nature of your sexual activity, with a view to maturing in this area. In general, you will find that relating to men is difficult at this time.

Possible Encounters: Frustration - Opposition - Collisions - Tough Conditions

From about: 2 January 2007 to about: 1 February 2007

Transiting ♃ ♀ your natal ☉

Significance: This is a strong influence, and usually attracts confrontations that in turn increase your awareness of the matter concerned.**Keyphrases:** Tests of Will - Taking Stock - Consolidation or Liquidation**Theme:** Having to be practical and objective about matters relating to your Sun Profile, with the goal of putting your life on a firmer footing.

Hard cold reality stares you in the face during this time, checking your every move. If you find yourself encountering very few setbacks, then you can be sure that you know what you are about. But it is more than likely that there is some -thing you will have to prove now.

Also, this may be a poor time to start anything new - or at least, don't expect it to take off overnight. The bottom line under this influence is that you keep your spirits up. Even if outwardly things seem discouraging, it is the state of your heart that is the critical issue - so don't lose heart! You may well have to stand your ground - which means that you'll need to make sure of where you stand and what you stand for.

Providing that you apply the maximum amount of disciplined effort now, which also includes your not over-working, you may be sure that anything that does not survive this period was just not supposed to; and whatever does survive will last and prosper.

And you will feel the benefit of this when you observe how well regulated certain parts of your life are, and how much respect for work well done serves you. Transiting ♃ ☐ your natal ♃

Significance: This is a strong to medium influence that challenges you to develop in proportion to your current strengths and weaknesses.

Keyphrases: Testing Idealism - Imagination versus Reality - Managing Weaknesses

Theme: Having to be practical and objective with regard to your Neptune Profile, in order that you make the distinction between guilt and obligation.

This is a time when the real concrete world 'out there' appears to have tracked down your secret and sensitive world 'in here'. Whatever webs of deceit, escapism, glamour or morality that you have woven to protect you or make you feel special in some way, are now cruelly dragged into the cold light of day. The main illusion here though, is the one that made you feel you had to pretend in the first place to be anything other than what you actually are: a Spirit in a Body.

If you find that your spirit has not been living up to its spiritual responsibilities - or has been pretending to do so - then you must now put your pride aside, have an objective look at your superficial defence systems, and then get down to being responsible to, and on a level with, your fellow human beings. Just feeling guilty or indignant amounts to masochism because in effect you're merely putting off the inevitable confrontation with past misconceptions. Be thankful of this time when you can begin to rid yourself of illusions (that is, disillusionment), and express your ideals in a modest but real fashion.

Possible Encounters: Unreal Expectations - Coming Down to Earth

From about: 3 November 2007 to about: 12 November 2007

Transiting ♃ △ your natal ♃

Significance: This is a medium-strength influence that allows you to make progress with relative ease and support. It rewards past efforts.

Key Phrases: Increasing Order - Alleviating Difficulties - Improving Status

Theme: Opportunities to appreciate your Saturn Profile, through creating a balance between vision and caution.

Whether or not more hectic or exciting planetary influences are around now, this one provides you with a sense of equilibrium and of the value of sobriety. You recognize and accept where your duties lie, and consequently go about performing them in a measured and matter-of-fact fashion. Anything that requires you to be serious or solitary, can be confidently undertaken now. At the very least, this period will help you to accept reality more.

Possible Encounters: Happy Responsibilities - Clear Objectives - Practical Solutions

From about: 13 November 2007 to about: 22 November 2007

Transiting ♃♂ your natal ☾

New Cycle

Significance: This is a very strong influence. It reinforces the situation in hand and both forces and enables you to advance and grow.

Key Phrases: Buoyant Emotions - Exaggerated Feelings - Increased Security

Theme: Powerful emphasis upon your Moon Profile, giving you a stronger sense of how you feel and how you behave. **Start of a new 11-12 year 'Belief-in-Belonging Cycle'.**

You are liable to get carried away by the mood of the moment at present; so a lot depends upon what is currently preoccupying you. If you are stressed, then count to ten, for you could make a mountain out of a molehill - but then you shouldn't miss this opportunity to get in touch with your emotions. On the other hand, harmonious circumstances (indicated by other planetary influences) will allow you to feel very much a part of your surroundings, feeling closer than ever to others - especially family members and loved ones.

However, make sure that such people do not absorb too much of your psychic energy. All in all, this is a time to start putting your truest emotions on the map, understanding past influences, and setting a positive trend for future security.

Possible Encounters: Sentimentality - Reconciliation - Over-reactions - Mothering

From about: 14 November 2007 to about: 23 November 2007

Transiting ♃♂ your natal ☼

Significance: This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

Key Phrases: Return to Health - Lust for Life - Increased Will and Vitality

Theme: Opportunities to make more of your Sun Profile, through having a greater sense of being alive.

This is a very positive time for you - so make the most of it. Equally, do not waste it, for there can be an inclination to just cruise and then have nothing to show for it later. There is the probability of putting your life on a better footing - or at least, there will be a sense of things being all for the best ultimately. Anything that furthers you physically or mentally can be fruitfully embarked upon now.

Possible Encounters: Successful Launches - Happy Travels - Financial Gain

From about: 19 November 2007 to about: 28 November 2007

Transiting ♃ ✖ your natal AS

Significance: This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

Key Phrases: Expanding your Viewpoint - Improving Relationships

Theme: Opportunities to make more sense of being in the world, thereby attracting rewarding relationships.

You feel a growing sense of largesse with regard to your attitude towards other people and life in general. You begin to see more of the total picture of life, and your place in it. This can have decidedly religious or philosophical overtones, and you have less time for petty thoughts and petty people.

But you are also feeling quite philanthropic, and are more inclined to point out the wider issues of a given subject. Naturally enough, your current urge to take more in would be well satisfied through some course of study, for all knowledge and experience is like food and wine to you now. So eat, drink and be merry!

Possible Encounters: Mutual Profit and Understanding - Enlightened Perspectives

From about: 20 November 2007 to about: 28 November 2007

Transiting ♃ ☐ your natal ♀

Significance: This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

Key Phrases: Power-Plays - Increased Ambition - Exaggerated Fears or Obsessions

Theme: Forced emphasis upon your Pluto Profile, in order that you appreciate the nature of power and hidden influences in your life.

One way or the other, now is a time when you get more in touch and involved with what needs changing and improving, and with the necessary force and will that can make this possible. But this can be rather like Aladdin and his Lamp, for the 'genie' of power and ambition that you summon up may well turn against you - however well-intentioned you thought you were.

Therefore be ruthlessly honest and careful about your motivation to gain any particular position or object, because the desire to serve the whole rather than just yourself is the only motivation that will truly justify, and indeed guide, your actions now. If your intentions are not honourable, then things could blow up in your face. On the other hand though, avoid being falsely modest, for this would cause you to miss out on the opportunity that is presently in the air.

Possible Encounters: Provocation/Confrontation - Crises of Opinion - Legal Conflicts

From about: 27 December 2007 to about: 31 December 2007

Transiting ♃ ✖ your natal ♄

Significance: This is a mild influence, and you probably need to apply some conscious effort in order to reap its benefits.

Key Phrases: Dissolving Inhibitions - Practical Idealism - Imagination Takes Form

Theme: Opportunities to express your Saturn Profile, more subtly, through bringing your dreams and sensitivity into line with concrete reality.

During this time you are more than usually able to maintain a balance between your inner/emotional life and your outer/material life. So therefore you feel able to look at your doubts and fears for what they are, without feeling intimidated or inadequate; you are able to accept weaknesses and do something about them. As a result of this, you feel prepared and strong enough to incorporate your finer, idealistic opinions into your everyday reality, in a sound and substantial fashion.

Possible Encounters: Creative Projects - Rewarding Introspection - Wise Counsel

From about: 29 December 2007 to about: 31 December 2007

Transiting ♃ ☐ your natal ♄

Significance: This is a strong to medium influence that challenges you to develop in proportion to your relevant strengths and weaknesses.

Key Phrases: Belief versus Freedom - Increasingly Radical - Exaggerated Uniqueness

Theme: The forced emphasis of your Uranus Profile, through magnifying your desire to be true to yourself.

You feel that 'something's got to give', and if it doesn't then you'll make it do so! Whatever happens now is in aid of giving you a stronger sense of you as a one-off individual. This can mean being constantly pulled this way and that as your morals conflict with your urge to be free, or, for example, it might suddenly land you with the opportunity to do something entirely different.

Restlessness can be a particularly disruptive force in you right now, but you could more than satisfy such feelings through simply doing something that you'd never normally do. The pull or desirability of investing your time and energy in new ways of living and looking at life is strong now. Such involvements can act as a springboard into a fresh chapter in your life, where the world is more your oyster than ever it was before.
