Predictor for Angelina Jolie

One Year Prediction

As the planets move around the Great Circle of the Zodiac they pass through the 12 areas known as 'houses', each of which represents a different sphere of human life.* The moving planets also form angles or aspects with the positions of the planets in your birth chart. These planetary movements are called 'transits'.

Sometimes a planet appears to move backwards through the Heavens which is known as 'retrograde' motion, thereby repeating the aspects it makes to the planets in your birth chart. A retrograde planet is similar to the sensation experienced when you are on a train which overtakes a slower train, making the slower train appear to be moving backwards.

Your predictions for the year ahead should be used as a helpful guide only. Events in your life may vary from the ones outlined in this forecast. While the planets do not dictate your future, they do provide crossroads and signposts to guide you on your personal voyage through life, helping you to make the right decisions, at the right time, and in the right frame of mind. At all times it is for you to choose the best path to follow, and to develop the most positive elements of your personality.

*When the time of birth is not known, a Midday chart is produced, which makes it impossible to include the house transits in the report or to accurately determine your Ascendant (Rising Sign) position.

However, this determined drive to get ahead could alienate and threaten colleagues and possibly even those in authority. Disagreements with your father figures are also likely. However, if you manage to get others on your side, then this could be an extremely productive and successful time. But do beware the tendency of identifying your ego with status and position.

Important personal and business decisions should be postponed until you are less impulsive and more practical in your conduct, it would also help if you could concentrate on the matter in hand for longer than 10 minutes at a time. This is not a time to make changes in your life, if anything you should keep your head down and out of the firing line.

Frazzled nerves could be the result of 'overloading' the system. If your body starts to send out warning signals then do not ignore them, treat your health with the respect that it deserves.

Avoid accidents and injuries, especially while on your travels, care must be taken when driving or operating other heavy machinery.

Rest and relaxation and if you can a little bit of meditation, would certainly help soothe raw nerves and prevent a major mental 'overload'.

Transiting Jupiter Square your Natal Mercury

Your mind will be full of ideas and plans for the future during this time. Feeling positive, if somewhat unrealistic, you will forge ahead and ignore any obstacles placed in your path. Interference and criticism will not be easily tolerated.

Nevertheless, talking and communicating with others and sharing your ideas will also be important to you but you must also be willing to listen to their viewpoint as well. Ignoring others needs and wants will not necessarily be an act of deliberate malice, but a result of exuberance and over-enthusiasm to see your own plans go into action and come into fruition. However, in envisaging an overall large scale scheme and outline for the future, you may overlook small, but vital, details.

Therefore, in ignoring these small but necessary and practical details, despite your enthusiasm, you may lack the necessary discipline to put your grand ideas into practice. Too many unresolved petty details could leave your mind confused and in a muddle. The small things of life may start to go wrong a car breakdown, missing a bus, losing credit cards, etc. Headaches could result.

If possible, temporarily postpone foreign travel or dealings with long distance business negotiations. Also, your privacy may be invaded in some way, perhaps by unwanted visitors suddenly appearing on your doorstep.

You may devote time and energy to helping those less fortunate than yourself; or simply by having a strong shoulder for a friend in need to lean on. Love, romance and friendship will all be highlighted. You will want to spend as much time as you can with people you love, enjoying their company. This could be the beginning of a pleasant, romantic love affair. Only one word of warning watch your diet as you are likely to become somewhat self-indulgent eating and drinking just that little bit too much.

Strenuous work should be avoided as you will be feeling unhurried, easy going and carefree. However, as creativity should also be enhanced and if you have recently been lacking the necessary inspiration to pursue creative and artistic projects then now is the time to try writing, composing music, drawing, painting whatever you consider is your field. The end results could bring tremendous satisfaction.

If you do not consider yourself particularly creative then perhaps you may take up a new study or retrain in your job or career. Travel or a holiday would also be a good idea around now.

A financial windfall may come your way but in wanting to surround yourself with beauty and the luxuries of life the cash may be spent just as suddenly and quickly as it arrived.
