One Month Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next month. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

Association

Your focus is now on friendships, group associations and intellectual pleasures. You will now surround yourself with friends and acquaintances, possibly joining new groups or clubs. If needed, friends will now offer help and support. Do not try to go it alone, you will now work and play better in a team effort. However, suppress the desire to always be the leader of the team, as you may not necessarily be the right person for the job.

From about: 1 June 2009 to about: 22 June 2009

 transiting your natal 10th House

Career

You will now direct much of your mental energy and intellect towards the achievement of a position of responsibility and authority. Additional career training could be of future benefit. But take care that excessive worry over petty details and overwork does not cause ill health. A certain amount of impatience may also lead to a few wrong turns on your career path. It may take some time to finally decide what you really want to do, but at least you will learn a great deal about yourself in the process.

From about: 1 June 2009 to about: 10 June 2009

 transiting your natal 9th House

Sharing ideas

The power of love may now help to broaden your horizons, open your mind and soul to new studies or philosophical ideas or instigate travel. Many of your relationships, both personal and professional, will bring about personal growth. You will see a deeper meaning in life and understand the need for people to give and receive love, and share what they have with others. Beauty and the love of music and the arts will attract you but in a way which is different from past experience, but pleasantly so. You may fall in love with a foreigner, or someone who lives a great distance from you.

From about: 1 June 2009 to about: 5 June 2009

♂ transiting your natal 9th House

Mind of your own

This can be a time when you are more intellectually active than usual, with thoughts turning towards education, philosophy or religion. Your mind will be quicker and better able to grasp broad concepts and abstract ideas. But do not take yourself too seriously and do not force your own beliefs and views on others, allow them to reach their own decisions. You may travel more than usual, but there is a possibility of minor accidents or illnesses whilst on your journey so take extra care of yourself. Legal difficulties may also cause problems.

From about: 1 June 2009 to about: 1 July 2009

Relationships

♀ transiting your natal 7th House

Relationships with others should work well at this time, teaching you more about yourself. You will now meet people who can help you and in turn, you will shower loved ones with generosity, spoiling them with an abundance of affection and small gifts. A new lover may come from a completely different culture or background, possibly someone older or from abroad. Legal matters should also work out to your advantage but beware overconfidence. Do not overlook details, which could trip you up. This is also a good time for medical consultations or therapy of any kind.

From about: 1 June 2009 to about: 1 July 2009

♄ transiting your natal 2nd House

Money supply

Expect added financial responsibilities and burdens. This is a time when you will probably have to make do with less, when your resources are likely to be stretched to the limit. Feeling insecure about your financial situation, there is also the danger of taking unethical short cuts to make quick money. However, this is a good time for assessing what is important to you and what you really value. You may have to let go of some material, spiritual or emotional values which may be standing in the way of personal growth.

From about: 1 June 2009 to about: 1 July 2009

♃ transiting your natal 8th House

Changes

Sudden changes of fortune are now likely, so expect disruption in joint finances, insurance, tax or inheritance. Do not become dependant on someone else's finances during this time, you will only come to resent it in time to come. Feeling the need to break free from restrictions and attachments imposed by others, you will now want to go your own way. Some phases of your life may end suddenly and irreversibly. Fascinated by the meaning of life and death, a new understanding of these matters will be sought. An exciting yet unstable love relationship may also start and end within a short space of time.

From about: 1 June 2009 to about: 1 July 2009

 transiting your natal 7th House

Critical

You may now approach relationships with excessive romantic idealism. Of course, you could be lucky and meet someone who is as idealistic as you are but such individuals are very rare. It is more likely that you will place your lover on too high a pedestal, and then be disappointed when they do not live up to your expectation. You may also be attracted to people who you feel need your help. In surrendering your own needs you may feel you are showing true love. But, you too are only human, and sooner or later your own needs will resurface, putting a great deal of strain on the relationship. Do not place unrealistic expectations on others, and do not allow them to walk all over you. This is not a good time for legal proceedings as poor communications and misunderstandings are likely.

From about: 1 June 2009 to about: 1 July 2009

 transiting your natal 5th House

Self expression

You should now avoid gambling or speculation as there is a possibility of losing control and destroying everything you have built up. On the other hand there is also the potential of accumulating riches or power, depending on how you handle the situation. Children may now also be the source of inspiration and transformation or there may be power struggles with your children. Love affairs and sexual relationships could be intense, obsessive and passionate - also undergoing drastic changes or disruption. However, any relationship that survives this period will grow from strength to strength.

Transiting   your natal 

Set in your ways

As you may have trouble in getting your message across for the next few days, much of what you do and say may be misunderstood. Your reaction may instinctively be one of frustration and anger, but ask yourself, have you become too set in your ways? Are you truly considering the thoughts and feelings of others? At work, you may be burdened with additional responsibilities.

From about: 1 June 2009 to about: 3 June 2009

From about: 1 June 2009 to about: 30 June 2009

Transiting ♃ ☐ your natal ♀

Feeling low

Low energy levels could leave you feeling drained of all vitality during this time. Your body could now be repaying the effects of recent over-indulgence - well, you tasted the goods now you will have to pay the bill!

Work and career productivity could also suffer through failure to perform duties efficiently and competently. You just will not be bothered with all the daily pressures - pushing away responsibilities, hoping they will just disappear. Consequently, very little will be achieved during this period.

Beware financial extravagance during this time - too much cash could be squandered on luxuries and fast living which, in months to come, you will feel, you neither like nor need. Again, the bills will start rolling in!

Personal and love relationships could also find themselves in the firing line. You could become the victim of a misunderstanding, or someone you love and trust could now be trying to take advantage in some way. Or, this insincere and manipulative way of behaving may originate from you, being directed towards unsuspecting loved ones.

From about: 1 June 2009 to about: 2 June 2009

Transiting ♃ ✕ your natal ♀

Mental debate

During this time your tremendous restless mental energy and curiosity will make you look in different and unusual directions for experiences that are new to you. Without this constant stimulation, boredom would quickly set in. Your reactions will be like quicksilver and very little will escape your attention.

You are likely to receive unexpected news, or be the bearer of unexpected communication that could totally surprise others.

Travel is likely, either abroad or short distance trips that you would not normally take. There may also be an opportunity to take up new study or training, although your concentration may be poor.

You will probably form new friendships with people who can expand your horizons and satiate your need for mental debate and intellectual discussion. There is also likely to be more contact with brothers, sisters and close friends.

As you will be open to new ideas and experiences, your mind will be flexible and more willing to accept, and listen to, other people's points of view. During this time, intuition and instinct will play a larger role in decision making than practical, logical thought.

From about: 1 June 2009 to about: 30 June 2009

Transiting   your natal 

Whirlwind romance

Whirlwind and impulsive love affairs could suddenly start and end all within a few short weeks. You will want more freedom in your life. Rules may be broken; but you will thoroughly enjoy yourself along the way! Wanting to escape humdrum daily routine, you will be in search of excitement and adventure during this time - and you are likely to find it!

You may find yourself involved in unusual and unexpected personal, social and professional situations. This is a time when you are likely to make the very best out of sudden, exciting opportunities - either in business, friendship or love. The people that you meet during this time will be very different from your usual social circle.

Feeling carefree, energetic and spontaneous, you will dazzle everyone around you! With life's fortune turning to your advantage, nothing could upset you whilst you are feeling so high.

Unexpected travel is also likely - again either in your personal or professional life. Journeys are likely to be carefree, happy and possibly lucrative.

From about: 1 June 2009 to about: 30 June 2009

Transiting   your natal 

Getting away from it all

This could prove an unstable period for love affairs and marriages causing you to question the strength of your feelings for your partner. Perhaps one of you is being too restrictive of the other, not allowing personal emotional feelings to flow. One of you could now be erecting barriers, or you may now notice that your lover is not the perfect individual you initially thought they were. Perhaps you're aware that you've placed your partner on too high a pedestal, and now feel disappointment that they can't live up to your idealistic expectations.

Rocky and unstable relationships could now crumble, or you may look elsewhere for emotional and physical satisfaction. Therefore, secret love affairs or brief romantic liaisons are now possible.

You may now also choose to relive past memories, and yearn for days gone by. Escaping into the past will seem a welcome relief from the problems and responsibilities of the present.

Drained physical energy and vitality could also make you prone to minor illness - beware relying too heavily on drugs or alcohol. Perhaps it's time to escape to a more tranquil setting - escape your everyday environment for a few days in order to realign mind, body and spirit.

Postpone major financial decisions until stability returns into your life, and avoid excessive gambling or get-rich-quick schemes.

From about: 1 June 2009 to about: 13 June 2009

Transiting ♀ △ your natal ♂

Delving deep

You are likely to be much more independent, confident and self reliant now with ambition and a sense of enterprise enabling you to take bold steps forward. Logic and intuition will be well balanced, creating a greater self-understanding of your own motives and goals in life.

It is time to discard anything that is no longer of use to you; old worn out items, memories, feelings from the past which may, up until now, have prevented you from getting in touch with your deepest feelings and emotions. This is your chance to inject some fresh sparkle and meaning into your life, to start afresh and look to the future.

As your mind will be so intuitively sharp, this would also be an excellent time to involve yourself in any form of research or investigation. Not content with superficial answers to questions, you will delve deeply in order to unearth and understand the truth. You may now come across some secret information previously hidden from you. In any case, the answers that you find may completely change your attitude to life and your way of thinking.

Any work that you undertake now may in some way be connected to rebuilding, i.e. redecorating, refurbishing, etc. However, it could also relate to a subtler rebuilding of your inner self, or a restructuring of your daily life, routine and relationships. Expect significant changes in your life during this time.

From about: 1 June 2009 to about: 30 June 2009

Transiting ♀ △ your natal ♀

Motivation

You will now be able to work as a manager or team leader, with enthusiasm and motivation that will be contagious. Others will both respect and understand your opinions and actions.

This is a time in your life to make any necessary changes, without pain. If these same changes are forced upon you at a later time against your will, you may consider them far more disruptive to your life - and may fight against them.

You will now be creating situations which should bring much more fun, excitement and interest into your daily routine and you are likely to find yourself doing things or meeting people that you've only dreamt of in the past. 'Never say never' - that will be your catchphrase!

So take advantage of any sudden and unexpected opportunities - they may be just the lucky chance that you've been waiting for! Don't dither - now is the time to be quick and decisive - be willing to take a few risks, grab these opportunities and make the best of them before they disappear! Long distance travel could separate you from loved ones - but the rewards should be well worth the temporary sacrifice of being apart.

From about: 1 June 2009 to about: 8 June 2009

During this period a powerful emotional strength will enable you to weather any storm, or overcome any obstacles placed in your path. This is a time of memorable experiences and if you are subject to any type of crisis, then you will emerge with greater strength and understanding.

It is time to discard anything that is no longer of use to you; old worn out items, memories, feelings from the past which may, up until now, have prevented you from getting in touch with your deepest feelings and emotions.
