## Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

## Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

## Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

**From about: 10 June 2009 to about: 12 June 2009**

Transiting ☉ ✖ your natal ♀

**Keyphrases:** Repairs and Regeneration - Getting to the Bottom of It

This is a good time to start any regimen, to turn things around, to eliminate anything that has been bothering you, or simply to put what's wrong right. You feel a power coursing through you, but it is a gentle and sure power - not one that is insisting you express it no matter what. Your powers of concentration, and your stamina - be it physical, mental or emotional - are stronger than usual, so any demanding activity is better pursued at this time.

**From about: 11 June 2009 to about: 13 June 2009**

Transiting ☉ △ your natal ♀

**Keyphrases:** Going With The Flow - Attuned To Spirit - Creativity and Entertainment

This is a fine subtle influence, which you could miss unless you are alive to the unseen, mystical or imaginative elements of life and your personality. Any kind of creative or spiritual pursuit - either active or passive - is well starred under this planetary effect. You are more attuned to subtle and emotional vibrations than usual, and possibly sense that struggling with issues only prolongs or complicates them. An enjoyable time listening or playing music, communing with Nature, or any activity involving the sea, is some of the possibilities right now.

**From about: 12 June 2009 to about: 13 June 2009**

Transiting ☉ △ your natal ♂

**Keyphrases:** A Sense of Order - Highlighting Discipline and Economy

You should be functioning well over these few days, so it is good time to get more organised, devise a plan, or even embark upon some important undertaking assuming other indications are not unfavourable. You are presently more than usually inclined to get down to what needs doing without being or feeling side-tracked by issues that do not bear directly on the job in hand. For now you are more disposed towards structure and efficiency than you are towards whims or sentimentality.

**From about: 12 June 2009 to about: 13 June 2009**

Transiting ♀ ♂ your natal ♀

**Key Phrases:** Seeing the Whole - Getting a Plan - Philosophical Thinking

You are now put in touch with all you need to know. However, this can be a double-edge weapon, for on the one hand it could find you able to manage various items or activities into an effective whole, or on the other hand, find you confused as ideas and conflicting considerations flood your mind, giving rise to a 'brain-jam'. Marshalling your thoughts is therefore both the issue and Opportunity at present. Ultimately, you are gaining some kind of understanding now, be it about something specific or something general.

Out of this, a philosophical overview can be arrives at, thereby accommodating anything that is presently going on in your life. Another possible expression is thinking, speaking and/or acting out of a sense of opinion rather than a firm fact. Such succumbing to generalizations posing as the truth could set you up for embarrassment or a lot of wasted time, or both, as you bluff and exaggerate your way into or out something. So get the facts straight - that is, unless you are quite happy to pontificate. Dealing with foreign matters or people could also be an issue now - again, worthy of detailed consideration.

**From about: 15 June 2009 to about: 17 June 2009**

Transiting ♂ ☐ your natal ☾

**Hot!****Key Phrases:** Stimulating or Attacking Feelings - Protecting your Space

The feelings that you have been sitting on need to come to the surface now. So feeling irritable or fit to burst is quite likely. This as a natural safety valve urging you to unload negative feelings such as anger or resentment, and especially those that concern your family and figures or events from your past. Being 'reasonable' at this time would be missing the point, for being supposedly abiding and well-behaved is what made you swallow your true feelings in the first place. So 'cough up the bile' and all concerned will feel the healthier and more secure for it eventually. It is very important now to make it clear how you feel, but to avoid unnecessary conflict, you must make the distinction between a feeling and who or what triggers off that feeling.

**From about: 16 June 2009 to about: 18 June 2009**

Transiting ☉ ✕ your natal ♀

**Keyphrases:** Working Well - Being On The Case - Making Contacts and Connections

You work and communicate well now, and are generally on the ball with respect to any matters that relate to the daily business of living. You also have a better sense of the pros and cons of how you normally go about such things, giving you the opportunity to correct poor attitudes or methods, and to capitalise or improve on the good ones.

**From about: 16 June 2009 to about: 17 June 2009**

Transiting ♀ ♂ your natal ♂

**Keyphrases:** Forceful Words and Thinking - Count To Ten - Getting a Lot Done

How you experience this influence very much depends upon how sure you are of asserting yourself generally. If such can be a weak point for you, then now you are likely to not speak out when you should have, or say what was best unsaid, or to say it awkwardly or apparently arrogantly. It is as if everything has bells on, and the slightest wrong word or movement sets them jangling. Conversely, if you are usually good at asserting yourself, then now you do so even more effectively and eloquently. In both cases however, there is a danger of speaking out of turn or saying something you come to regret - so try to think before speaking - or acting, for that matter.

**From about: 16 June 2009 to about: 18 June 2009**

Transiting ♀ ☐ your natal ☾

**Keyphrases:** Emotional Discomfort - Discord with/between Females - Let It Be

This need not necessarily be a difficult time - it can in fact turn out to be quite pleasurable. However, there is an inclination for social and domestic needs to get in the way of one another. This can also include disharmony on the home front, conflict between mother and lover, or being too accommodating and having to pay the price. Inherent in all this though, is a need for peace, so that upsets are usually righted quite soon afterwards. Feelings and values may clash, but the requirements of security and harmony eventually hold sway.

**From about: 17 June 2009 to about: 18 June 2009**

Transiting ♀♂ your natal AS

**Keyphrases:** On The Ball - Getting Around Locally and/or Mentally

Life is interesting and busy at this time. Useful contacts and stimulating people and subjects cross your path. If you have to look anyone or anything up, you are more likely than usual to make the right connections, possess good timing. You could also receive a significant communication, or even the one you have been waiting for, especially if there are other activities occurring that indicate positive events.

**From about: 20 June 2009 to about: 22 June 2009**

Transiting ♀♂ your natal ☉

**Key Phrases:** Pleasant Living - Creative Awareness - Happy Day - Love Life Issues

You can now have the classic Venusian experience of or opportunity for love, romance, beauty, value or anything else that makes life worth living. It is also a good time to go out or get down to finding such things. On the other hand, what happens is that the level and quality of romantic or social involvement in your life is now apparent and intensified.

The effect can therefore be anything from having a really good time to feeling in need of having a good time, from looking good to feeling how uphill it is trying to look good, from experiencing love and life as sweet and fulfilling to feeling that everything is superficial and of little value.

A purchase can be just what you wanted or turn out later to be an indulgent waste of money. In the end, Venus is about finding love, beauty and value in whatever circumstances you are in, and not fretting after something that is missing or wanting. Stop wanting and start having; stop craving and start giving. And beauty is only skin-deep if that is only as far as you look!

**From about: 20 June 2009 to about: 22 June 2009**

**From about: 20 June 2009 to about: 22 June 2009**

Transiting ♂♂ your natal ☉

**Hot!****Keyphrases:** Stimulating or Challenging your Ego - High Energy - Anger or Drive

Finding a suitable and effective outlet for your energies is the main issue at present. This probably means expressing yourself physically as well as mentally. So if there is something you have to do that needs a definite degree of forcefulness, then now is the time to go for it. But this is also a time when you can arouse or be aroused to anger or arrogance. This could be just right for clearing the air or making a breakthrough, but watch out for over-reactions, for they could lead to damage. This is a 'hot' period, and can set things off easily. It is up to you whether it is for good or ill.

**From about: 20 June 2009 to about: 22 June 2009**

Transiting ♂ ✖ your natal ♀

**Keyphrases:** Acting Intuitively - Refreshing Influences - Who Dares Wins

This is an excellent time for 'unusual acts'. These are doing something that you would not normally do for fear of rocking the boat, embarrassment, etc. The effect of such an act can be astounding, for in time it may be seen that such intuitive spontaneity has opened up a pathway into the future that could not have happened otherwise. So you are more likely to act on a whim, or take more of a risk, than you would as a rule.

**From about: 22 June 2009 to about: 23 June 2009**

Transiting ♀ △ your natal ☾

**Key Phrases:** Contacting Feelings - Easy Conversation - Interest and Sympathy

Things are more likely to fall into place now because you have a greater than usual sense of give and take. You talk but also listen, or vice versa. Enquiry is met with relevant response. Allowed to run on like this, this period can become very stimulating and informative, both emotionally and intellectually. Any intercommunications, personal or business, are highlighted at this time.

**From about: 25 June 2009 to about: 25 June 2009**

Transiting ♀ ✖ your natal ♀

**Keyphrases:** Loving Words - Artistic Expression - The Art of Diplomacy

You know what pleases now - be it for yourself or someone else. At the same time, you know what does not please! All this gives you a good sense of what appeals or sells, so this is an excellent time for putting together anything that you want to go down well. Art, public relations, discussion, performing, charm and amusement - these are some of the things the positive expression or experience of which are at your fingertips right now. If you wish to make known what is on your mind in an appreciable or agreeable way, do it now.

**From about: 25 June 2009 to about: 27 June 2009**

Transiting ♀ ☐ your natal ♀

**Key Phrases:** Deep or Obsessive Love - Powerful Attraction - Sexual Guilt

You find you feel deeply for someone or something, or that you want to, or that you cannot get someone or something out of your system. In any event, you are experiencing the depth and power of love or attraction - and what you do with it is down to your deepest values. Such a feeling can actually turn up as someone who you feel strongly drawn to. It may or may not be mutual, it all depends upon that deeper state of your emotional being - is it attracting or repelling.

There is this 'Beauty and the Beast' quality to this influence, in that you could experience one of both of these extremes, with someone else on the other end, so to speak. The gulf between what is regarded as appealing and presentable as against what usually has to hide its face, feel anti-social, is a possibility now.

The trick is to go deep but not too deep, to appreciate face values, but not regard them as the entire picture. Be on guard against being manipulated - value yourself above all else - or of manipulating someone yourself, for you would only entrench yourself or get more than you bargained for. Possessiveness and jealousy can rear their heads now, which has something to do with being more in touch what does and does not constitute genuine love. Handled right, you can get the best of both worlds: intense pleasure, deep feelings, and profound love.

**From about: 27 June 2009 to about: 30 June 2009**

Transiting ♂ ☐ your natal ♀

**Hot and Heavy!****Keyphrases:** Triggering Fate - Stimulating Powerful Urges

This can spark off things that have a long-lasting effect. This is because you feel strongly about anything that is currently happening to you, and so you are liable to act upon it. For example, this could involve a sexual encounter that has a deep effect upon you, or an intense meeting or conflict with someone, or anything that really gets to you - possibly in an obsessive way. Your 'gun' is 'loaded' right now, so be careful where you point it. Stay away from any areas that are potentially violent or dangerous. Using this sense of power that you currently feel, can be very effective if used wisely, or quite damaging if used in a mean, manipulative or unaware fashion.

**From about: 28 June 2009 to about: 29 June 2009**

Transiting ♀ ✕ your natal ♀

**Keyphrases:** Sleuthing It - Powerful Words and Thoughts - Deep Study

If you have a job to do that requires your undivided attention, do it now. Not only is your mind on relatively good form, and can work into the night, you are also in the frame of mind where you can repel any interference powerfully, even ruthlessly if need be. You know that you have to see whatever it is through, no matter what.

**From about: 29 June 2009 to about: 29 June 2009**

Transiting ♀ △ your natal ☿

**Key Phrases:** Getting Down To It - Efficient Thinking and Speaking - Officialdom

Now you can do with relative ease those boring tasks that you may usually put off. Mental discipline comes more naturally to you now, and people in authority, like bosses or officials, can be dealt with more effectively - they themselves will also seem more amenable or efficient. Any kind of work, study or communication is highlighted now, but more so the practical rather creative type. You find it easier, and more immediately satisfying, to get your affairs in order. Things fall into place, especially if you do, or have done, the groundwork.

**From about: 29 June 2009 to about: 29 June 2009**

Transiting ♀ △ your natal ☿

**Key Phrases:** The Inspired Mind - Mystical or Psychic Attunement

If you have been after an answer or inspiration from out of the ether, this is the time you are very likely to receive it. This does not mean to say that it will come whatever you are doing. It may, but it would be better to be focused upon the issue of your concern, then - magic! Doing anything of a creative, therapeutic or entertaining nature is profitable or advisable at this time. Any experience involving the natural or spirit world is good 'medicine' right now - it may even come to you unbidden.

**From about: 30 June 2009 to about: 30 June 2009**

Transiting ♀ △ your natal MC
