Three Months Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next three months. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

Sharing the truth

You will now have a need to merge either your own emotions or financial and material possessions with others. You may be trying to borrow money. With the focus also on feeling and deep, introspective thought this is a time to concentrate on inner needs. Some sort of compulsive or irrational conduct is likely, creating situations which may lead to changes in your life. A powerful individual may now influence your values and thoughts or you could develop a tremendous fascination for esoteric subjects or religions.

From about: 1 June 2009 to about: 23 June 2009

 transiting your natal 8th House

Bargains

Your focus will now be on one of two areas; either on material and monetary issues such as financial legacies, insurance and tax matters or thoughts revolving around sex, birth and death, endings and new beginnings. Either way, you will now want to penetrate beyond surface appearances to examine inner feelings and conversations will probably revolve around deeper issues. But you may prefer to keep your own motives and thoughts secret, or at least not reveal them completely. Business matters involving jointly held finances and property could now work to your advantage.

From about: 1 June 2009 to about: 16 June 2009

 transiting your natal 7th House

Harmony

The focus is on all relationships, business or personal but especially romance. As you will be so relaxed, love relationships should be a source of tremendous pleasure and satisfaction. You will now go out of your way to show loved ones just how much you care. A new love affair could begin but take care not to place a lover on too high a pedestal or expect them to live up to some kind of impossible ideal. Feeling confident and more co-operative, past differences could now be more easily resolved, especially any matter concerning legal confrontations.

From about: 1 June 2009 to about: 14 June 2009

♂ transiting your natal 7th House

Open dealings

This could be a time of tension and conflict in your relationships with others. Beware venting your anger and frustration on those closest to you just for the sake of it. If you can, look out for your partner who might suffer minor illness or even an accident. You may find it difficult to compromise, but do try, especially if discussing legal matters. Looking on the bright side, at least hidden grievances will finally be brought out into the open, hopefully helping to clear the air. You will also be willing to stand up for the rights of others who cannot stand up for themselves.

♃ transiting your natal 4th House

Home front

This should be a time of peace and security within the home. All matters relating to property will be especially highlighted, whether you are buying, selling or redecorating investment property or your home. This should also be a time of generosity, stability and security within your home life. If need be, turn to your family for help. It is also a time to put down roots. Having reached a cross-road, you will now have to face truths about yourself, even those you do not really want to acknowledge, but at least then you will be free to choose the next path to follow. Parents may now offer financial help.

From about: 1 June 2009 to about: 1 September 2009

♃ transiting your natal 11th House

Collaboration

At the moment your friends may either present you with the challenge to face your deepest insecurities and inhibitions, or they may become something of a burden - dumping their problems onto you. You must resist the temptation to feel responsible for taking on problems that they should be dealing with themselves. There is also the possibility that some friendships or associations will end or be less easygoing than usual. You may now find it difficult to work with others but if you overcome obstacles and become a team player, the future rewards could be well worth the effort.

From about: 1 June 2009 to about: 1 September 2009

♃ transiting your natal 6th House

Work conditions

Indicates change in your work environment. You are not likely to stick to a job out of a sense of duty or tolerate a job that has become routine and boring. However if you resist this change, then it may be forced upon you. Your work needs to allow you scope for originality, inventiveness and movement. You will want to do things your own way, and will dislike being bound by other people's rules and regulations. There is also a slight possibility of stress related illnesses or insomnia, as well being more accident prone than usual.

From about: 1 June 2009 to about: 1 September 2009

 transiting your natal 4th House

Ideal home

There may be disruptions in the home or something about your home situation is not what it seems to be. Hidden secrets may now come into the open. A parent, probably your mother, may have emotional or psychological problems which will need your attention and help. This could call for considerable self-sacrifice from you. In any event, you will have a deep need to find some kind of 'spiritual home' where you can feel that you really belong. You may open up your own home to people and groups who are seeking a deeper meaning in life, or you may drift from one home to another with some deep-seated sense of dissatisfaction making it difficult for you to settle down in one place.

From about: 1 June 2009 to about: 1 September 2009

 transiting your natal 3rd House

Thought processes

Your thought processes will now undergo a steady, significant change or a powerful emotional crisis may force you to change the way you think and react to others. You will not be satisfied with superficial or obvious solutions to problems, delving deeper than usual for the truth - possibly through travel. You may be forced to face your deepest fears, possibly with some accompanying emotional pain. You may feel that a part of you has died, but the death of an old way of being or feeling usually has to occur in order to make way for something new to grow. There is also the possibility of upheaval or change with regard to brothers, sisters or local residents.

From about: 1 June 2009 to about: 1 June 2009

Self assessment

Today could either be approximately eight weeks before, or after, your birthday. If eight weeks before, then this is a time to recount and review this past year's achievements and then prepare yourself for the next birthday year ahead. Eight weeks after your birthday you will again have the chance to reassess and, if necessary, readjust certain decisions, goals and ambitions to ensure that you are moving in the right direction.

From about: 1 June 2009 to about: 2 June 2009

Transiting   your natal

Instead of looking back to the past, you will now be eagerly anticipating the future. This is a time in your life to take control and make any necessary changes. Whatever you choose to do, you will now insist on asserting your authority and individuality and following your own path.

From about: 1 June 2009 to about: 7 July 2009

Pleasurable experiences

Whirlwind and impulsive love affairs could start and end within a few short weeks - but the memories will last a lifetime! Any sudden love affair will be intense and electric. Powerful sex drive and emotions will now need to find a passionate outlet. Rules may be broken, but you will thoroughly enjoy yourself along the way!

Seeking unusual adventures and experiences in your social life, exciting new lifelong friendships could also be forged. Strenuous work should be avoided, as the emphasis will be far more on pleasure and having fun. However, as creativity should be enhanced, why not try embarking on an artistic journey of creative inspiration? You could be delighted with the end results and you may even profit by them!

A sudden financial windfall may also come your way but, in wanting to surround yourself with beauty and the luxuries of life, this extra cash could be spent just as quickly as it arrived!

From about: 2 June 2009 to about: 13 July 2009

☉ transiting your natal 9th House

Open your mind

Your focus should now be on philosophy, legal matters, long distance travel and in-depth study. Craving new experiences, you may feel the need to change the direction of your life quite dramatically. Travel would be a good way of acquiring new knowledge which in time will provide a greater faith and awareness of life. If physical travel is not possible, then there is always inner travel through meditation. But beware the tendency to be constantly seeking new horizons and new subjects before you have had a chance to properly take in or consolidate what you have already discovered or learned.

Nevertheless, in business, your rather hard-hitting and determined approach could be an asset, but being overly aggressive could lead to unproductive disputes. Priorities

This is a time when you will have to restore a sense of balance to your life, especially the balance between emotional and personal relationships and work. In this regard, there are two possible options:

The first is that you've been neglecting your home life, lovers or friends and sacrificing personal relationships for the sake of your work and career. But you may now have to ask yourself, is it worth feeling quite so isolated and lonely just to take that next step up the career ladder? Is it time to re-evaluate your priorities?

The second option comes into force if you feel that your personal relationships are holding you back and interfering with your ambitions. If this is the case, then it is a romance not worth holding onto. This may be the time to make a break, give yourself some breathing space to concentrate on your career and then find a partner who will offer the strength, help and support you need to forge ahead with making your dreams come true.

Either way, whilst these changes are being made, this could be a period of inner solitude and loneliness, tempered with a bit of guilt, stemming from painful memories from the past.

Made in heaven

Any new love affair or romance started during this period will seem like a match made in heaven, almost as if, as well as a wonderful physical union, there will also be a tremendous spiritual union between the both of you. Present relationships should also become closer and more emotionally stable and secure. This is not so much a time to make dreams come true, but to create dreams which could come true in the future.

Enthusiasm

Full of energy and raring to go, nothing will be able to stop you or get in your way during this time. You constantly strive to achieve your desires. Passionate emotions will be difficult to control so your love life should become more sensual and romantic. New love affairs will be intense, but short-lived.

Carefree

During this time, you will put others before yourself and will be seen as sympathetic, generous and out-going, giving support and love to those in need. Now could be the beginning of a pleasant, romantic love affair. Strenuous work should be avoided, as you will be feeling unhurried and carefree. But watch your diet; weight could easily be gained.

Initiative

You are directed towards friendships, activity within groups, clubs and associations. You will have a natural ability to rouse your friends into action, maybe too much, as there is also the possibility of disagreements with one or all of the above. Nevertheless, it is a good time for team sports and for working in a team effort to advance a cause. Also use this time to plan for your future and pursue your dreams. Work today for tomorrow's rewards.

Relationships

♃ transiting your natal 7th House

Relationships with others should work well at this time, teaching you more about yourself. You will now meet people who can help you and in turn, you will shower loved ones with generosity, spoiling them with an abundance of affection and small gifts. A new lover may come from a completely different culture or background, possibly someone older or from abroad. Legal matters should also work out to your advantage but beware overconfidence. Do not overlook details, which could trip you up. This is also a good time for medical consultations or therapy of any kind.

Money supply

Expect added financial responsibilities and burdens. This is a time when you will probably have to make do with less, when your resources are likely to be stretched to the limit. Feeling insecure about your financial situation, there is also the danger of taking unethical short cuts to make quick money. However, this is a good time for assessing what is important to you and what you really value. You may have to let go of some material, spiritual or emotional values which may be standing in the way of personal growth.

Changes

Sudden changes of fortune are now likely, so expect disruption in joint finances, insurance, tax or inheritance. Do not become dependant on someone else's finances during this time, you will only come to resent it in time to come. Feeling the need to break free from restrictions and attachments imposed by others, you will now want to go your own way. Some phases of your life may end suddenly and irreversibly. Fascinated by the meaning of life and death, a new understanding of these matters will be sought. An exciting yet unstable love relationship may also start and end within a short space of time.

Critical

You may now approach relationships with excessive romantic idealism. Of course, you could be lucky and meet someone who is as idealistic as you are but such individuals are very rare. It is more likely that you will place your lover on too high a pedestal, and then be disappointed when they do not live up to your expectation. You may also be attracted to people who you feel need your help. In surrendering your own needs you may feel you are showing true love. But, you too are only human, and sooner or later your own needs will resurface, putting a great deal of strain on the relationship. Do not place unrealistic expectations on others, and do not allow them to walk all over you. This is not a good time for legal proceedings as poor communications and misunderstandings are likely.

Self expression

You should now avoid gambling or speculation as there is a possibility of losing control and destroying everything you have built up. On the other hand there is also the potential of accumulating riches or power, depending on how you handle the situation. Children may now also be the source of inspiration and transformation or there may be power struggles with your children. Love affairs and sexual relationships could be intense, obsessive and passionate - also undergoing drastic changes or disruption. However, any relationship that survives this period will grow from strength to strength.
