One Month Prediction

As the planets move around the Great Circle of the Zodiac they pass through the 12 areas known as 'houses', each of which represents a different sphere of human life.* The moving planets also form angles or aspects with the positions of the planets in your birth chart. These planetary movements are called 'transits'.

Sometimes a planet appears to move backwards through the Heavens which is known as 'retrograde' motion, thereby repeating the aspects it makes to the planets in your birth chart. A retrograde planet is similar to the sensation experienced when you are on a train which overtakes a slower train, making the slower train appear to be moving backwards.

Your predictions for the next month should be used as a helpful guide only. Events in your life may vary from the ones outlined in this forecast. While the planets do not dictate your future, they do provide crossroads and signposts to guide you on your personal voyage through life, helping you to make the right decisions, at the right time, and in the right frame of mind. At all times it is for you to choose the best path to follow, and to develop the most positive elements of your personality.

*When the time of birth is not known, a Midday chart is produced, which makes it impossible to include the house transits in the report or to accurately determine your Ascendant (Rising Sign) position.

Your focus is now on work and being of help to others. Acknowledging that certain work and tasks need to be done, you will now take particular pride in whatever you do but do not expect to be leader of the pack as your actions will now probably be controlled by someone else. Alternatively, you may become more involved in charitable work. If this is the case, then remember not to neglect your own needs. Look after yourself as well. In fact, this is an excellent time to start a new diet or exercise program.

An attraction to poetry, music, writing, drama, etc. may both inspire and allow you to express your innermost thoughts. In romance, lovers will have to satisfy both your physical and intellectual needs. Finding that you also have a good level of communication with children, you will now encourage their intellectual abilities.
